## 2023 Poultry Demonstration-Show

---

### **Rules & Regulations:**

1. Free to enter. Limit one entry per class per exhibitor.
2. An entry registration form is required and can be submitted prior to Saturday, September 30, 2023 or on the day of the event by 10am.
3. Be sure to check for lice and mites. In addition, out of state waterfowl must be tested for Avian Influenza within 10 days before coming into the state, unless they are from a NPIP Certified Flock.
4. Exhibitors must provide a cage, water, and food. This is an outdoor demonstration-show so exhibitors should provide some type of shade for poultry.
5. Poultry will only be accepted for demonstration-show on Saturday, September 30, 2023 from 9am – 10am. Demonstrations will begin at 10am.
6. Birds cannot be removed during the Fair, except by order of the superintendent. Sick birds must be removed immediately.
7. Birds must remain caged until release time of 1pm and removed by 2pm Saturday, September 30, 2023.

### **Exhibition Requirements for Poultry**

#### **Intrastate (Missouri origin poultry moving for exhibition only).**

1. All poultry must be free of clinical signs of any infectious or contagious disease.
2. No Certificate of Veterinary Inspection is required.
3. Pullorum-typhoid, which is required by the Missouri Department of Agriculture, will be done onsite that day free of charge.

#### **Interstate (poultry entering Missouri for exhibition only.)**

1. All poultry must be free of clinical signs of any infectious or contagious disease.
2. A Certificate of Veterinary Inspection, VS Form 9-2 or similar certificate is required.
3. Pullorum-typhoid test. All poultry exhibited shall be tested negative for pullorum-typhoid within ninety

(90) days prior to exhibition or originate from a flock approved by the National Poultry Improvement Plan (NPIP) or an equivalent program in which the flock has been tested within the past twelve (12) months with no change of ownership. This information shall be documented on a Certificate of Veterinary Inspection, a VS Form 9-2 (see 2 CSR 30-8.020) or similar certificate which shall accompany the poultry to exhibition and shall be made available on request.

4. An entry permit is required.

**Requirements for sponsoring exhibitions for poultry.**

1. An official representing the person or organization sponsoring the exhibition shall notify the state veterinarian no later than thirty (30) days prior to the exhibition.
2. Recordkeeping. The sponsor of the exhibition shall compile a list of all poultry present at the exhibition. The list shall contain the name and address or voluntary premises identification number of each owner and the number, species, breed, variety, type, sex, and pullorum-typhoid status of all poultry present. A copy of this list shall be retained by the sponsor of the exhibition for at least twelve (12) months and shall be made available upon request to a representative of the department.
3. Inspection. Poultry must be free of clinical signs of an infectious or contagious disease. Any poultry showing signs of infectious or contagious disease at an exhibition may be excused by an official veterinarian or department representative.

**Missouri Animal Health Requirements for Exhibition for 2023**

The regulations above are not the official copy of Missouri State Regulations. To view the official regulations please see the Secretary of State's at <http://www.sos.mo.gov/adrules/csr/currentJ2csr/2c30-2.pdf>. If you have any Questions about entry requirements, please call the Division of Animal Health at (573) 751-3377.
